**President's Report**

by Charlotte Pierce

Bo Marlin has volunteered to be our Vice President. Thank you so much, Bo, for stepping forward to take on that position. The dances will be publicized, the entry desk will be covered, and our insurance will always be in order. Please congratulate and thank Bo if you have not done so already.

Every year I look forward to fall because it reminds me of watching or going to football games. Walking through the woods to admire the colors of the leaves is fun when the weather turns cooler. You can observe the beautiful leaves and enjoy the much needed cooler evenings as you drive to the Association dances in September and October.

The first big fall event for the NVCWDA will be the Anniversary Dance on September 19, 2009 which is a celebration of our incorporation in 1986.

## Update from the Membership Director

by Marty Johnson

The membership numbers are actually up a bit from my last report. We currently have 174 members, which is six more than reported in the last newsletter. Of those 174, however, ten have technically expired. Letters have gone out to those expirees, and hopefully, they will renew soon.

Although the membership numbers remain on the low side, the Board is very encouraged by all of the new attendees at the dances. We seem to have a half dozen or so new faces at each dance, so our efforts to

bring in new people are working. Charlie Piece, our new President, has had quite good success with some of the advertisements she has been putting in local newspapers, and the Association website continues to bring in many new people thanks to our wonderful Webmaster, Kerie Hitt.

We now need to figure out how to make those new people come back and ultimately join the Association. Our next Board meeting is coming up soon, and I would love to bring up some new ideas for consideration. If you have any suggestions, please send me an email at membership@nvcwda.org. My hope is that, by the end of the year, we have so many attendees that we need a bigger place to hold the dances!

### *President's Report* –cont. from pg. 1

Check out the rest of the newsletter for specific details. Surely there will be a variety of food and cake.

On October 31, Rick Humbert will decorate our dance area and transform it into a Halloween Haunt for the evening. Start planning your award-winning costume now so it will be ready in time for the Halloween dance. I'm thinking about some Witch's Brew, nonalcoholic of course, for the snack table and lots of candy.

None of our dances would happen without all of you who come to our dances, so please mark your calendar for every first, third, and fifth Saturdays of September and October and every month. It is more fun when the dance floor is full. We have moved the tables back some so that there will be more dance area.

Our DJs are the best and I appreciate their efforts to provide a variety of music and types of dances for our enjoyment. The dance instructors are doing a great job of

mixing new dances with reviews of dances that were taught earlier in the year. If you want to learn a particular dance, let Bo know so that he can work on making that happen.

The 2009-2010 board has been planning the dances, membership, finances, and dance venues for this year. The two new members of the board, Susan Scott and Dan Pierce, have been very active in promoting the values of the NVCWDA. We still need a Communications Director so contact one of the board members if you like getting a newsletter and would be willing to help with that project.

Looking forward, the board is already putting initial plans in place for the New Year's Eve dance, and we want it to be your number one choice for celebrating the New Year. It would be so wonderful if you would volunteer to help in any way that you can to make this a fun and exciting way to end 2009 and bring in 2010.

Remember that I am not just your president but also your friend. Let's work together to make our dances fun.

## Newsletter Deadline

## Special Events Director Article

by Dan Pierce

Can you believe that it's already August? It won't be long before the leaves start to fall and the weather turns cold and we'll all be wondering where those long lazy days of summer went.

Time flies, and we have some special dances that will soon be here. Our next special dance is the NVCWDA Anniversary Dance on September 19th. We would like to invite all of you to help us celebrate 23 years of NVCWDA Country and Western dancing in Northern Virginia.

When October gets here, we will have our Halloween Dance on (you guessed it) October 31<sup>st</sup>. You know what that means. The Halloween Dance is where we can all be kids again, dress up in your favorite costume, join the fun and dance the night away with your friends and the spooks and goblins at Luther Jackson.

And then comes December. We know that December is a busy month for all of us. But we have a couple of big events in December. NVCWDA has a tradition of helping our friends in the Marine Corps with a very worthy cause, Toys for Tots. We would like to invite all of our members to come to the dance on December 5<sup>th</sup> and help us make some child's Christmas a little more joyous with a contribution to Toys for Tots. And now for the big one—NVCWDA's New Year's Eve Dance on (you guessed it again!) December 31<sup>st</sup>. Those of you who have been to our New Year's Eve dance know what a great event it is. For those who haven't been to our New Year's Eve dance yet, I can promise you a great evening of fun, food, fellowship and dancing.

So grab a pen and mark your calendars, put it in your Blackberry, do whatever you need to do to remind yourself not to miss these fun dances that will soon be here. We are looking forward to seeing each and every one of you at your Association's special events.

## CareFirst BlueCross/BlueShield Sponsorship Opportunity

by Karen Johnson

In the last newsletter, I had an article regarding the possibility of obtaining grant money from CareFirst BlueCross/BlueShield for the Association to further its goals of promoting country-western dance in the Northern Virginia community. CareFirst offers this grant money to promote its own health initiatives through partnering with area organizations with related goals. In the radio advertisement that triggered the Board's interest, CareFirst enumerated the health benefits of dance, and it seemed that there might be a good chance of the Association obtaining funds.

After contacting CareFirst regarding the requirements, it became clear that the time that would be needed to complete the in-depth application process was extensive. The Board decided that it would be best to check with CareFirst again to see what the chance of success would be before proceeding. I again contacted CareFirst and was told that the chances were remote. The Board then decided not to pursue the matter further.

Several people I have spoken with have suggested that this may have been a simple way for CareFirst to cut down on applicants. If anyone has the time or interest to pursue this any further, please email me or my husband, Marty Johnson, at [membership@nvcwda.org](mailto:membership@nvcwda.org).

## A Note from the Dance Director

by Bo Marlin

Alas, another summer has come and gone. Hopefully, all your summer activities and vacations were safe, successful, and enjoyable. For those of you who have taken a "summer sabbatical" from our dances to enjoy the activities, let me be the first to welcome you back. We've missed you.

Thanks to the continued hard work on advertising by our previous Vice President (and now our President), Charlie Pierce, and our membership director, Marty Johnson (and Karen), the attendance at our dances has held pretty steady over the summer months, and we have seen a lot of new faces—both great developments. So, with the new folks in mind, I'd like to share a few thoughts.

Do you remember when you were brand new to country western dancing? Your dance "repertoire" may have consisted of some basic Two Step and maybe some knowledge of a "grapevine" or "shuffle" step—if that. Do you remember the apprehension and perhaps the stark fear when someone "more experienced" asked you to dance? Do you remember the mental "overload" as you tried to learn all the line dances in a single night (but only succeeded in getting them all jumbled together in your mind)?

Yes, we were all beginners once, and probably still have some mental "scars" from the experience. So, be "gentle" with our new dancers. Try not to inundate them with dozens of dances or couples dance moves—until and unless they are ready. Everyone learns at a different rate and by different means. Some are entirely comfortable with getting on the floor and "following" the crowd right off the bat—no matter how awkward they may feel or look. Others may learn by watching from the "sidelines" and "chair dancing" before they are ready to hit the floor. Finally, others may need to take formal lessons before they feel comfortable enough to "go out in public."

So...respect the "needs" and abilities of our new dancers. Be there when they need and want some help. But...teach them the dances CORRECTLY! Most people tend to retain what they learn first—even if it is wrong. If you don't know the dances well enough to teach them correctly, please don't volunteer to help—simply refer them to a more "seasoned" dancer. In the end, our new dancers will thank you for your humility and good judgment. Remember, it's not about impressing them with how much you know (or think you know). It's about ensuring our new dancers get a firm foundation on which to build their country western dancing abilities around.

As always, see you on the dance floor!

# Country Steppers' News

by Luella Montgomery

The Country Steppers' performance at Children's Hospital was cancelled because of the flu situation, but the performance at the VA Medical Center was eagerly performed with great appreciation from the audience of veterans. This is one of our most heart-warming events and is always a reminder of the sacrifices made by all those in the audience. Particularly noteworthy was a lady who has been in the audience for a couple of years. She is still sharp as a tack at 101 years young. Gives us incentive to keep dancing and hopefully keep our brains working as long as hers. The Lord of Life Lutheran Church performance in Clifton went extremely well. The audience participation was fun and energetic. Teaching is always a pleasure when there is such enthusiasm to learn, even doing the Tennessee Twist. The 4H Fair with the Bull Run Cloggers was also fun. The heat is always a test of endurance, but nothing diminished the high energy of the Cloggers. Thankfully, the Arlington Fair performance was indoors.

If you are currently dancing to country western music and know the Two Step, Waltz, Cha-Cha, East Coast Swing and our specialty dances, we encourage you to join the team. We can be reached at [steppers@nvcwda.org](mailto:steppers@nvcwda.org).

## Summary of July Board Meeting

by Joyce Leamon

The board met on July 8, 2009. Karen Johnson suggested that we create a brochure or flyer that would provide a general overview of the NVCWDA. She will have a draft ready to show us at the August board meeting. Marty Johnson reported that we have 171 members and 10 expired memberships. Susan Scott reported that she spoke to the point of contact at Luther Jackson Middle School about having the air conditioning set at 60 degrees around 3:00 pm on the Saturdays when we have a dance. The board voted to hold this year's Anniversary Dance on September 19<sup>th</sup> and the Halloween Dance on October 31<sup>st</sup>. Dan Pierce suggested that we advertise the New Year's Eve dance earlier this year so people can make long-term plans. Ideas for increasing dance attendance were also discussed and will be discussed further at the next board meeting. Donna Dennis sent our check to Fisher House for the donation that the NVCWDA members made at the Benefit Dance.
