- 7 Hold
- &8 Step left side, step right together

*Optional rock back on ball of left, recover to right*

### **REPEAT**

### **RESTART**

*There is a restart on wall 8. You will hear distinctive drum sounds on wall 8 (facing the back wall - approx twice: 13 into the song). Dance 16 counts into the dance & at the end of the second  $\frac{1}{4}$  pivot on count 16, replace the step with a touch & restart the dance in order to hit those hard beats on the 4th eight of the dance, a restart is needed or just dance it straight out without the restart. It still works*
